

**Updates on Park Board’s Seaweed Management Programs
 Beach Maintenance Advisory Committee Meeting (BMAC)
 January 24, 2020**

HOA/POA Self Provider Program	Extreme Inundation Program
Hosted 3 informational meetings for HOA/POA convenience (low turnout but it was the holidays) 12/9/19 12/19/19 1/18/20	Followed up with emails/phone calls about renewals and application checklist completion.
Received some interest but most associations are focused on receiving their City of Galveston Beach and Dune Permits	Reissued retainer fees check received and deposited based on homeowners wishes
Some associations have decided not to partake	Returned checks to associations who do not wish to partake in the program
Communicating with associations that do wish to partake and awaiting their completed applications.	A few associations are completed and covered under our program (pending receipt of their Valid Beach and Dune Permits from the City).
July 1st is the deadline to register for the program this year. We will communicate to the USACE on this date what areas are authorized to work under our permit.	Deadline for Program Completion has been set for February 12 th (no more applications will be accepted after that time)

Scheduled **Sea Turtle and Wildlife Certificate** Training session with Dr. Tasha Metz for Friday, February 28th from 1-3pm. This event is open to the public for a \$50 fee (\$40 renewal fee if you have already participated). Please RSVP to Bianca at czmreporting@galvestonparkboard.org if you are interested so that we can have an appropriate headcount.
