Year 2014

Make Tacoma

Model Toyota

Unit Number 3406

Mileage 33908

Dept/Park Beach Patrol

Justification for Purchase:

Our emergency response vehicles are continuously exposed to unfavorable environmental elements on or near the beach. Our big concern is safety of our supervisors as they respond to emergencies. We created a fleet rotation guideline that we are trying to follow to address safety and warranty issues.

Vehicle It Replaces

Year	Make	Model
Unit Number	Mileage	Dept/Park

Justification for Purchase:

Staff is requesting to purchase a new or use full size half ton truck. The truck will be used by Urban Park to perform daily duties on the seawall. With the new amenities Urban Park will be responsible for cleaning restrooms, pulling trash and maintaining the planters Urban Park does not have a truck to perform these duties.
