

**Agenda Item:** Parks Team Spotlight

**Background:**

Recognition of Richard Wallace, Jonathan Histo, Jose Adan Cazares, Dylan Pippin and Justin Painter for completely renovating the Dellanera RV Park restrooms/showers over a three-week period. The project was fully performed in house at a cost of only \$8,000.

This was the first time this group had worked together as a team; you will see more cross-park assistance on future projects.

This project was managed by Tim Jackson with staff support from Nate Stevens.

Great job TEAM in making a difference to our guest!
