

**Agenda Item:** Discussion Of Work Plan Park Tours Scheduling

**Background:** Annually, members of PAC and the Board are invited to tour all the Park Board Parks. This tour allows the committee/board members the opportunity to see firsthand the operations of the Parks. Each Park location is operated in a unique way to meet and exceed the guest expectations. Tours will also highlight recently completed improvement projects as well as future needs of each facility.

Staff will review optional dates/times for the tours and will seek direction from the committee on availability.

**Staff Recommendation:** Staff Seeks Direction from committee on available dates/times.
