

Agenda Item: Update On The Mobile Amenities Project At Stewart Beach

Background: In the FY 21/22 Park Board budget there is a significant project to install mobile amenities at Stewart Beach Park. Mobile amenities include items such as restrooms, changing rooms, concessions, and showers. The successful launch of mobile amenities will allow the Park Board to eventually remove all operations from the current pavilion that has reached its end of useful life.

Vince Lorefice, General Manager of Parks will provide an update to the Mobile Amenities Project at Stewart Beach.
