

Agenda Item: Discuss 2022-2023 BMAC Work Plan (Kimberly Danesi, 15 Minutes)

Background: The mission of the Beach Maintenance Advisory Committee (BMAC) is to support the Galveston Park Board of Trustees on issues related to the restoration and preservation of Galveston Island beaches, including long-term planning, maintenance, sustainability, attractiveness, funding, usage, and environmental concerns.

The Committees of the Park Board of Trustees develop a Work Plan based on their mission, the approved strategic plan, and current areas of needed development or concern.

Mrs. Kimberly Danesi will share a draft of the Work Plan for the 2022-2023 year for the Committee to review. She will also ask for suggestions on items the Committee would like to include that may not be represented in staff's first draft.
