

Agenda Item: Employee Spotlight – Aaron Cain

Background: Aaron joined the Park Board in July 2017 as a part-time Urban Park Attendant and was promoted to full-time in March 2018.

Aaron grew up in Houston. Prior to joining the Park Board, Aaron worked at Valero, Central Landscape and Maintenance, and Professional Lawn & Janitorial. He loves people and providing them assistance as he performs his daily responsibilities. He is well-known as a great source of information for those who stop and ask him questions!

In his free time, Aaron loves to cook, raise horses, participate in trail rides, and work on his pride and joy, a 1992 Cadillac Fleetwood Brougham.

Aaron's manager, Corey Holcomb, shares that Aaron takes pride in the quality of his work and can be counted on to identify solutions to problems that he encounters. He uses his CTA training daily and has received compliments from residents and visitors alike. Among his fellow employees, Aaron is a valued collaborator, always in high spirits, dependable, and hardworking.

We are so happy to have Aaron as a member of the Park Board team and want to recognize his 5th service anniversary this year!
