

Agenda Item: Introduction of New Tourism Development Committee Members

Background: Last month at the September Board of Trustees Meeting, the Board approved the slate of new committee members to be appointed to the Tourism Development Advisory Committee. Partner organizations that occupy specific seats on the committee presented their candidates for consideration. These included Galveston Hotel and Lodging and the Galveston Historical Foundation. For the At-Large positions, staff and industry partners identified a list of potential candidates, and the Board Liaisons along with the Board Chair evaluated the candidates and made the selections for Board consideration.

This year we welcome back three members who have been reappointed, and we welcome four new committee members.

Reappointed:

Marty Miles (Galveston Hotel and Lodging Association Seat)

James Clark (Galveston Restaurant Association)

Sherril Hilton (Cultural/Historical Seat)

New Members:

Jeff Elkins (Galveston Hotel and Lodging Association Seat)

Mark Scibinico (Galveston Historical Foundation seat)

Monica Berry (Downtown Merchant Seat)

Craig Corbell (Attraction Seat)
