

Agenda Item: Discuss And Consider Awarding Contract To Immaculate Painting For Dellanera RV Park Pavilion Exterior Painting

Background:

As part of the Approved Fiscal Year 22/23 Dellanera RV Park Budget, funds were allocated for the repainting of the Dellanera RV Park Pavilion. This facility was last painted roughly 6 years ago. Because of the proximity to the Gulf, this facility is exposed to very corrosive conditions. The repainting is part of the on-going preservation efforts.

Staff solicited proposals, and only received two responsive bids. After several attempts at trying to obtain the third proposal staff deemed it as non-responsive.

Staff Recommendation: Staff recommends awarding a contract to Immaculate Painting in the amount of \$15,787.25.

Funding Source (if applicable): in Approved FY22/23 Budget in line-item DP-52 5250 (Capital improvements).
