

Agenda Item: Discuss And Consider Approval For Planter Box Landscaping Work At Urban Park

Background:

Over the years the soil within the planter boxes have subsided causing the roots to the trees and the irrigation lines to be exposed. This erosion was caused by the extreme wind and the drainage within the planters boxes. Project scope will consist of removing and replacing the irrigation lines and valves and placing topsoil within 2-3 inches of the top of all of the planter boxes along the seawall. This is the first phase of this project; the second phase will consist of planting floral.

Staff received three proposals; the lowest priced and most responsible bid was with Beach Town Lawn Service in the amount of \$14,500

Staff Recommendation:

Staff recommends awarding contract to Beach Town Lawn Service for planter box landscaping at Urban Park in the amount of \$14,500.
