

**Agenda Item:** Discuss And Consider Approval For Bus Stop Lighting Repair At Urban Park

**Background:**

Over the years lighting components in the bus stops along the Seawall have become inoperative. Staff consulted with an electrician to determine the most cost-efficient repairs. The price noted below is a “worst-case” “not to exceed” scenario, the electrician will troubleshoot each bus stop to determine the minimal repairs needed to make the lights operational.

Scope of work: as needed

- Controllor Replacement
- Batteries Replacement
- LED Light Replacement

**Staff Recommendation:**

Staff recommends awarding contract to Crescent Electric utilizing Buy Board contract # 638-21 for bus stop lighting repair at Urban Park with a not to exceed amount of \$31,033.24.
