

Agenda Item: Recap of 2023 Ball High School Elective Fair

Background: Included in the Annual Work Plan for January 2023 is committee participation in Career and Technical Education (CTE) and Learning Community Tours. Due to scheduling changes in the eighth-grade tours and feedback from teachers, the Committee will focus our efforts on the Elective Fair moving forward. The Committee will participate in this event to interact with students and parents to continue to build relationships and interest in the hospitality, culinary, and tourism programs at Ball High School and Galveston College.

This year's event is to be held at Ball High School on January 25 and is open to students, parents, and the community. The committee will discuss the 2023 event and make recommendations for any changes to improve future events.
