

Agenda Item: Presentation and Discussion on Dual Credit Program Enrollment for Fall 2023

Background: The Workforce Development Committee is focused on providing information to students, parents, educators, and the community about jobs in the hospitality, culinary, tourism, and coastal fields to encourage enrollment in related programs at Ball High School, Galveston College, and Texas A&M Galveston. The goal of these efforts is to build a pipeline of qualified candidates for future employment in industry positions.

As part of the FY23 committee work plan, updated data and/or a status update related to dual credit enrollment in hospitality and culinary programs at Ball High School will be presented and discussed by members of Galveston Independent School District and Galveston College.
