

**Agenda Item:** Presentation and Discussion on Industry Career Website

**Background:** The Workforce Development Committee is focused on providing job opportunities for students in the hospitality, culinary, tourism, and coastal programs at Ball HS, Galveston College, and Texas A&M Galveston to build a pipeline of qualified candidates for future employment in industry positions. Additionally, the committee members are interested in supporting industry partners by offering additional visibility positions they are currently recruiting for.

As part of the FY23 committee work plan focus on seasonal recruiting as well as year-round employment opportunities, information on how this will be structured will be presented and discussed.
